

Parkview Tip-Off Club Concession Duty

Thank you for your support of Parkview Basketball. The concession stand provides significant additional funds to the program and your help is much appreciated. Without everyone's help the program cannot reach its fullest potential.

Requirements: The family (adult) of each player is required to work three (3) regular season shifts in the concession stand. Usually the parents of boy's work the girl's game and visa versa but not always. Check all assignments so you do not miss an assignment and are assessed a fine (\$25). Regular season shifts are in addition to any shifts worked during the Parkview Tip-Off Classic Tournament.

Please note that some of the JV and freshman parents may be assigned a Varsity games. So please check all assignments not just your child's team level.

Shift Times: Times are approximate but the assignee will work the game not the clock. The first shift of the day starts 15 minutes prior to game time and complete when your replacement arrives for the next shift. As an example: if the first game starts at 6:30 PM then the assigned worker needs to arrive by 6:15 PM.

Each subsequent shift starts at the end of the preceding game. The final shift is responsible for clean up and restocking the soda cooler before close of the stand. The duty manager will indicate when to start clean up but usually can start during the 3rd quarter.

Assigned shifts can be traded between families. It is the responsibility of the family to find their replacement not the coach, team mom or concessions manager if conflicts exist. Attendance is taken and fines/penalties given. However the assigned family is still responsible for the fine/penalty in the event of a no-show.

Fine/Penalties: Missed shifts will be assessed a fine for each shift missed (\$25). Be sure to check in with the concessions manager for each of your shifts.

Buy Out Option: You may "buy out" of regular season concessions duty. This option is only offered on the night of the team parent meeting and at a cost determined by the club board for that season.
